MOTION TO AMEND THE COMPLAINT

Comes Now, The Plaintiff, Courtney Boyd, moves into this Honorable Court requesting to amend his complaint in the above case. The Plaintiff amend as follows:

On 6-11-06, at about 7:50pm, I, The Plaintiff, reported to officer Whitehead, that my left side of my body had gone out, and that I need him to call the HCU. Officer Whitehead, said that the nurse said that I need to sign up for sick call. At about 9:15pm, I told Officer Whitehead, that my back went out and that I could not stand all the way up, and would he call the HCU, and said against that the nurse said that I need to sign up for sick call. I then told him to call the shift office, and he said they said I had to sign up for sick call, because they can't make any nurse see me.

At about 9:35pm I told officer Wilson, that my entire lower body had gone out, and that I could not move. Officer Wilson said that Officer Whitehead, call back to the HCU and report to them that my entire lower body had gone out, and the nurse working second shift still said for me to sign up for sick call. I then had to wait until third shift nurse on come before I was able to get the HCU. This only took about 2 ½ hour. I reported to the third shift officer and he called the HCU and the nurse said to bring me up thier. But the officer could not move me so he to get the runnier to get the stretcher and they had to pick me and my mattress up , because the officer so that he did not want any thing else to happen to me. Once I made it to the HCU nurse Zwermley, said that is that Courtney Boyd, and that runnier said yes. She then said that

I have been trying to get to the HCU all night. So she was working on second shift and would not see me, even though, my body had gone out.

Once I get inot the room, the nurse force the other inmate who was the runner to pick me up and place me onto the doctor bed in his officer. The third shift nurse was the ones who seen me, but before, nurse Zwormley left, she came in the room and siad that I did this before and walk from the HCU when the nurse to told me too. I told her that I was having severe pain then. After that she and one of the third shift being placing there pen on my feet. Nurse Zwormley and the third shift nurse said that I was faking, because I still had some feeling in my feet. After nurse Zwormley did this she left because her shift was over. The Officer who was working HCU said that the nurse's told him that I was faking just to win my law suit. So he then said that he was going to write me up for what ever he can any. However as of this day 6-13-06, He has not write me up. The nurse had me to stay so that I may see the doctor.

On 6-12-06, at about 8:40am, I was seen by Dr.Darbouze and he said that he have talk with me about this problems and that my back should be well after three years. And that he was not going to give me my back brace back or a no long standing profile. But that he was give me some pain medical for my back. Dr.Darbouze see that I can not stand all the way up and he still will not order me any free doctor vist or given me by back brace back.

As stated before this is why the plaintiff request for an free world back specialist vist, becuase Dr.Darbouze and the nurse at Easterling Corr.fac are retaliating, at me about they know that I have and suit against DOC.
